Chairman's Introduction

Sadly, we conclude another very successful and enjoyable season. Our club continues to excel in external competitions with many successes again this year, showing the improvement in our level of photography. The club is in a strong financial position and full of very talented members, and a very strong committee. I am delighted to welcome the newly elected Mayor of Surrey Heath Borough Council, Councillor John Winterton and his wife, the Mayoress, Di to honour us by presenting this year's awards.
So time for a well-earned break, and I look forward to seeing you all on some of the summer events that have been organised. Thanks everyone. *Charles Pearson*

President's Award

Instituted by our Late President, Edward Mendell in 1999, this award is now made at the discretion of the Chairman

Special congratulations go to Roger Hoyle and Jenny Hillman who share this award.
Roger for his continued exceptional work and successes in external competitions, and ensuring our name remains prominent as one of the leading clubs in the South of England. Each year there seem to be more competitions and he has risen splendidly to the challenge.
Jenny for her help with all social matters at weekly meetings, special events such as tonight and for organising the club holidays. Also, for many other things that even I am unaware of. I would like this award to recognise the work and effort she has put in not just this year but all the past years. What's more, she always does it with a smile. *Charles Pearson*
